Please note you CAN register family members under the same email address.

<u>Linking Accounts – we can link accounts allowing a 'lead' family member to make bookings on behalf of other</u> <u>family members under a single login. Please note, this is only available via our website booking portal and cannot</u> <u>be done on the app. Please direct message us on facebook or email us at enquiries@dragonflyleisure.co.uk stating</u> <u>the following:</u>

- 1. <u>Main bookings account name and email address. This will be the primary booking account.</u>
- 2. <u>The accounts you want to link names including D.O.B (for identification purposes).</u>

<u>Alternatively, you can login to individual accounts by using the email address and unique password number</u> <u>registered for that account.</u>

<u>Our App</u>

The majority of our customers find our app much easier to use when making bookings (single bookings). Please search DragonflyLeisure in the App or play stores – this is a free app!

The app will ask you to login using your email address and password. Remember logins are individual, you will not be able to access or make bookings for other family members until you log off and log back in using their unique password.

Please email us at <u>enquiries@dragonflyleisure.co.uk</u> or private message us on our facebook page and a member of staff will contact you to assist.
