

### **To view your child's progress**

All children will be continually assessed, and you can follow your child's progress/view the criteria for each lesson using our Home Portal.

Please note: children will progress at different rates based on their age, ability, and attendance. Progress rates between different sports will also vary depending on the complexity of skills being taught. Please speak to your child's teacher if you have any concerns about their progress. Holiday workshops will be available for children needing additional support.

### **Safeguarding and Welfare of all children**

To protect children from maltreatment, prevent the impairment of children's health or development and ensure that all our children on programme grow up in circumstances consistent with the provision of safe and effective care; taking action to enable all our children to have the best outcomes. We endeavour to provide a safe and welcoming environment where children are respected and valued. We are alert to the signs of abuse and neglect and follow our procedures to ensure that children receive effective support, protection, and justice.
